USER GUIDE 16

TRADE UNIONS, EMPLOYERS' AND PROFESSIONAL ASSOCIATIONS

This User Guide lists the more important collections connected with trade unions and related organisations. Part I summarises records produced by trade unions, employers and professional associations, while parts 2, 3 and 4 list those concerned with trades councils, trade union umbrella organisations and personal and other papers respectively.

Some records may have restrictions on access. In addition, it may not be possible to produce unlisted collections for consultation in the Searchroom. Please ask a member of staff for more details.
